Village NewsDesk

THEYDON BOIS VILLAGE NEWSDESK

Theydon Bois Village News and Theydon Bois Village Website are the constituent parts of Theydon Bois Village NewsDesk.

The Village NewsDesk is editorially independent of the Parish Council, although very grateful to the Parish Council for ongoing encouragement and administrative support. The Parish Council manages the finances of Village NewsDesk for the committee, but thanks to the work of all our volunteers and the very generous support of our sponsors the Village News and Website run at no cost to the Parish Council and village council tax payers.

Village News is very grateful to its sponsors for supporting its quarterly publication of 2000 copies which is distributed to every resident, all the shops, pubs and restaurants in the village. In addition, extra copies left in the shops and village hall for individual collection as well as being mailed to other interested parties.

Village News has achieved great success in the county-wide Community Magazine Awards, being placed first in 2007 and in the top three in 2010.

Village News ensures that advertising is limited to its Sponsors which means that unlike some commercial magazines, there is considerable local news and interesting content which emphasises its readability. This special relationship with Sponsors flows through to the Website where the Sponsor pages form an integral part of a continuously updated Village NewsDesk, complementing the quarterly publications of Village News.

Theydon NewsDesk carries a strictly limited number of Sponsors advertisements in the magazine and on the website as appreciation for their sponsorship. These advertisements will not exceed more than ten percent of the total Village News content.

By supporting Theydon NewsDesk, Sponsors are also supporting our community. We continue to encourage villagers to support all our local businesses (*Use Them or Lose Them*), but especially our Sponsors.

Sponsoring Village News

APRIL 2010

Theydon Bois Issue 64 Dec, 2008 Village News

Sponsor ads appear either as a 1/2 or 1/4 page of A5 in each quarterly edition of Village News. Advertising is limited to just our Sponsors and will not exceed 10% of the content. This ensures cover to cover readability in contrast to many other publications. 2,000 copies of Village News are distributed to all residents and shops, restaurants & pubs in the Village as well as other interested parties such as members of Epping Forest District Council and other local contacts. In addition Village News can be downloaded from the Village Website.

Sponsor ads also appear on the Village Website, where there is also a links page which will take enquirers to the Sponsor's own website. The Website is regularly accessed by residents, visitors and many others, being evidenced by the fact that to date in 2010 it has received around 13,000 visitors per month.
